

UNITED STATES INTELLIGENCE BOARD

OFFICE OF THE EXECUTIVE SECRETARY

25X1

15 November 1962

MEMORANDUM FOR : Chairman, Critical Collection Problems
Committee

SUBJECT : USIB-D-63.7/5, 9 November 1962,
"Intelligence Collection"

25X1

In considering the subject paper at its 15 November 1962 meeting, the USIB recognized the difficulties relating to non-COMINT intelligence collection resources in that area, as identified in the assessment attached to that paper, and agreed that this critical problem should be studied further. Specifically, the Board directed that your Committee study and make recommendations as to means by which non-COMINT intelligence collection capabilities could be improved.
